

July 5 – August 2

United Way of Hall County, your local Publix Super Markets, and the Hall County Library System are partnering to stuff the bus and collect and distribute school supplies for students in Hall County, grades Kindergarten - 12.

When students have the tools they need, they enter school better prepared to learn.

HOW TO TAKE ACTION:

- While shopping at your local Publix Super Market, simply add a pre-packaged school supply bag to your grocery cart and Publix will deliver it for you.
