

Young Leaders Society

United Way
of Hall County

Encouraging the next generation of leadership

Young Leaders Society is a program designed for individuals and couples in their 20's, 30's and 40's who make an annual gift of \$500 or more to United Way of Hall County

Your financial investment enables United Way to *unite people, organizations and resources to improve lives in Hall County*. You will have the opportunity to participate in a variety of volunteer and community events.

LEADERS IN ACTION

Participate in group volunteer projects with other YLS members. Projects will vary throughout the year and families are welcome.

DEVELOPING LEADERS

Network with other young professionals and community leaders while visiting local companies and organizations. These events include a tour and presentation by company leaders. Breakfast and lunch events will take place quarterly.

COFFEE & CONVERSATION

Join United Way President, Jackie Wallace, for coffee & conversations. Gain a better understanding of the health and human service issues facing Hall County and find out how your contribution of time, talents and resources enhance non-profit operations as a Board Member or volunteer.

Topics include: United Way 101, Community Issues and Board Basics

What would Young Leaders Society be without some fun?

Join other YLS members at social events throughout the year.
