

THANK YOU!

Our community has an amazing tradition of reaching out with a helping hand. For 65 years United Way of Hall County has been your partner in advancing the common good and creating opportunities for a better life for everyone in Hall County. The common good is less about helping one person at a time and more about changing systems to address root causes, not just the symptoms of problems. It's the idea that we are all connected and interdependent; the idea that we all win when a child succeeds in school, when families are financially stable and people are healthy. Then, our community truly LIVES UNITED as we all GIVE, ADVOCATE, AND VOLUNTEER to improve lives in Hall County.
